to Revista de la Academia Colombiana de Ciencias Exactas, Físicas y Naturales

Dear Editor.

We herewith submit the article on "MASS OCCURRENCE OF *HERBERTUS SENDTNERI* IN A GLACIAL LAKE IN THE ANDES OF COLOMBIA". The work is original, has not been published elsewhere, is not under review elsewhere and all co-authors agree with the submitted version. We hope that the paper will be suitable for publication in the journal. We propose the following reviewers:

Dr. Jeffrey G. Duckett, The Natural History Museum, London, j.g.duckett@qmul.ac.uk

Dr. Janice Glime, Michigan Technological University, Houghton, jmglime@mtu.edu

Dr. Steven P. Churchill, Missouri Botanical Garden, stevechurchil83@hotmail.com

Sincerely yours,
on behalf of the authors,

Robbert Gradstein
Corresponding member, Academia Colombiana de Ciencias Exactas, Físicas y Naturales
