**Table 1S.** Composition of reptiles of the Department of Caldas, Colombia with their international and national status of conservation

**Table 2S.** Database of georeferenced records of reptiles of the Department of Caldas used in this study

**Figure 1S.** Head detailed of the specimens that represents new records in this study

**Figure 2S.** Zoomorphic figure of a saurian, topped on a toothpick, Quimbaya culture

**Table 1S.** Composition of reptiles of the Department of Caldas, Colombia with their international and national status of conservation. Abbreviations correspond to: IUCN Redlist (**International Union for Conservation of Nature**, 2023); the Red Book of the Reptiles of Colombia (**Morales-Betancourt**, 2015); MADS (**Resolution 1912** of 2017, Ministerio de Ambiente y Desarrollo Sostenible). With an asterisk are shown the new records for Caldas, and two asterisk for Colombia.
